Now that the dues are being raised to \$315 plus the \$35 special assessment. Jeff – let's bring this up at the next meeting and vote on this.

***Secretary Report:*** March minutes. Jeff motions to approve. Yvonne seconds and all approve.

***Pool Report:***

The fence to enter the pool hut area is to low and needs to be raised so that when you open it inwards it doesn't rub against the cement. The phone line was cut when the contractors were working on the pool hut. The phone company came out and fixed it immediately. June 30<sup>th</sup> all life guards except 1 will be out of town. We will need to have someone fill.

***Park Report:***

***Lake Report***

Maryann Zukowski called Jeff regarding her dog getting sick from the chemicals being sprayed by the Department of Ecology. The Dept. of Ecology gives notice to the surrounding home owners.

***New Business***

Keith – Did the property on 193<sup>rd</sup> Ave East near the lake get a permit to clear the land or build on it? Melissa – we haven't received anything on this. ReJena will send a letter to Mastercraft referencing that per the short plat restrictions they must submit plans to the architectural committee for approval.

Jeff motions to adjourn meeting. Lenore 1st and Yvonne 2nds all agree to adjourn.
