

# Lake Jane Estates

Volume 1, Issue 1

February 1998

## PRESIDENT'S REPORT

Spring is approaching and with the nicer weather, there will be more people, both kids and adults in the parks and walking through the neighborhood. So please keep and eye out and keep your speed down.

The bridge project is coming along nicely. Watch for your opportunity to help build our new bridge.

Another reminder that all board meetings are held on the third Thursday of each month, these are open to anyone. So please come and give us your ideas and concerns. The next meeting is February 19<sup>th</sup> at 7:00 PM at the Bonney Lake Library. Hope to see you there!

## PARK REPORT

The landscapers have been very busy, and our park is looking better every day. Trees and shrubs are being pruned and lots of cleaning is being done. The islands are also being whipped into shape for the summer.

The open drainage ditches in the lower park have been replaced with closed drainage which is working much better. We would like to thank all of those people who spent their weekend digging by hand in mud up to their knees and running the backhoe. Some of those people are Keith Arionus, J.R. Schaan, Joe Richards, Jeff Gubbe, Terry Borg, Roy Voelker, Annette Goes, and John Goes. Carol Voelker was kind enough to provide a hot lunch for a very muddy and grateful crew.

Vandalism continues to plague the park. Three picnic tables were rolled down the sledding hill and damaged during the last snow. Beer parties etc., and litter are an on going problem. Please remember that these are your facilities and that your home owners dues are paying to repair this vandalism. Lets all try to be active, by watching for these senseless and destructive acts and reporting them to the police. This is your neighborhood and your park. Lets keep it a safe place for our children and families. Thank You!

## LAKE REPORT

Yes the bridge is missing, at least part of it is. Never fear it will be replaced. The old bridge was torn down because it was considered unsafe. The architectural drawings have been submitted to the city for approval. We are waiting for this and more bids on the bridge. Once again this work is done by volunteers! So if you would be interested in helping please contact Jeff Gubbe at 891-0602 or Dennis Fite at 863-1385.

There will be a fish plant this spring. Please remember guests must pay a user fee of \$2.00 per day or \$5.00 per week. We have a lot of non members fishing from our shores and this means fewer fish for the members.

## Lake Jane Estates Board of Directors

97/98

### Officers

President	Terry Hegel	863-7564
Vice-President	Keith Arionus	863-5639
Treasurer	Beth Schaan	863-7026
Secretary	Venessa Borg	863-1472

### Board Members

#### Park

### WHAT DOES LAKE JANE ESTATES HAVE TO OFFER?

There are many amenities here at Lake Jane Estates. We have a forty acre park which includes a swimming pool, baseball diamond, basketball court, lighted tennis court, covered picnic area, plus a lake that is stocked with fish several times a year, and you are able fish year round. That's a lot for \$190 a year that. So get out and see the changes going on in the park. Remember there is always a need for members to help out with the projects, so please lend a hand!
