

Park Report

As spring approaches and the park is used more, we would like to remind everybody that if everyone picks up their own trash, the park will remain a great place to play.

Please help us wipe out vandalism. Lake Jane Park continues to be vandalized almost weekly. The park is closed after dark. If anybody sees people in the park after dark, please call 911 and report the trespassers.

There is an immediate opening on the park committee. If anyone is interested in helping out with the park, please call a board member for more details.

The upper and lower parks are available for parties. If you would like to use one of the parks, please call Suzy King for available dates and times.

Pool Report

Lake Jane Pool's Grand Opening will be on Friday, June ²⁰21 at 12 noon. The Pool Committee is excited to report (barring any major surprise pool repairs) that it will continue to be open everyday from 12 noon - 8pm. Family swim will be everyday from 6-7pm and adult swim from 7-8pm.

Our great swim lessons and fun water aerobics will be available again this summer. Information will be posted at the pool hut. We look forward to seeing you soon at the pool.

Start Planning for your Summer Pool Party now for a low rate of \$45.00 per hour. See you at the Pool this summer!!

Lake Report

As we approach warmer weather, there is more activity of homeowners enjoying the lake. The water quality is, once again, good since we have had cooler weather and sufficient rain. We expect the same algae problems this summer since the Dept. of Ecology (DOE) will not allow the use of copper sulfate to treat Washington lakes and we can not afford to treat with aluminum sulfate. In addition, there are other issues and questions that come with the application of aluminum sulfate. We would like to be able to use the lake this summer so if any homeowner knows any avenues to influence the DOE on this important issue, we would love to hear from you.

There have been many people fishing and, yes, even without a stocking of fish this year, fish are being caught! It also has been reported that many "baby" trout have been seen as well.

There have been posted signs that have been removed or defaced. These signs are required to be posted by our insurance company for safety, release of liability issues and to maintain the quality of our facilities. Any person(s) caught removing or defacing posted signs, without explicit written consent by the board, could face "destruction of property" charges.

We hope that many of you get a chance to enjoy our lake, which is a great asset to our community. The islands have been trimmed and are accessible for your enjoyment. The beach has a great view of Mt. Rainier. So, if you haven't been down to the lake lately, you should make a point to check it out. Happy Spring!!

Community Committee

A summer community event is in the process of being scheduled. If you would like to become a volunteer or member with the community committee, please call Rejena Kilmurray at 891-9256

WE NEED A WEB MASTER!!

Jerry Carpenter successfully implemented and maintained the Lake Jane Web page for the past two years, however, Jerry has moved from the Lake Jane area. We wish to thank Jerry for all the hard work he did to get lakejane.org up and running!

The board is now looking for a homeowner that would be interested in volunteering to maintain and update our Web page. This position would involve working mainly with the Secretary and Treasurer. This position also carries the flexibility to be creative with our current web page. We anticipate that the time spent on this position would be about 1 to 2 hours a month. Anyone that is interested is urged to call Kirby Kilmurray at 891-9256.

President's Report

Before I report on the business of Lake Jane Estates, I would like to say to the people of the community that serve, or have family that serve, in the Armed Forces that my thoughts and prayers are with you. I hope for a quick ending to this conflict!

Now on to business....We are actively working on the 2004-2005 budgets. We have to sign new contracts for the lawn maintenance and are asking for bids at this time.

Unfortunately we have had more vandalism in our parks. We are hoping to install a video camera so we can catch those that are responsible and put a stop to this needless destruction.

In our last newsletter, I told you I asked each committee to cut \$4000 out of their budgets. They have done that and I am confident our association will be on budget at year end. It wasn't easy, but the park, the pool and the lake committees did a great job.

Have a great spring!

BOARD MEETINGS

The Board Meetings are held at the Bonney Lake Library at 7:00 PM in the meeting room. Mark your calendars and come sit in on a meeting! It's a great way to get to know what's going on in your community and to get to know your neighbors. Upcoming meeting dates are:

April 24, 2003 May 1, 2003 May 15, 2003 June 5, 2003
June 19, 2003 July 3, 2003 July 17, 2003
ANNUAL MEETING..... JULY 27, 2003

BOARD MEMBERS NEEDED!!

As you may recall, last Fall Mary Bushnell resigned her position on the Pool Committee. Most recently, Roger Tolman has resigned his position with the Lake Committee due to his work schedule. The Board thanks Roger for all his hard work and he will be missed.

We now have two Board positions that need to be filled immediately. Please call any officer or board member if you are interested in a board position or just come to one of the board meetings!! These positions will be temporary until the Annual Meeting in July. It's a great way to get to know your neighbors and become involved with the decisions that affect the Lake Jane Community. Take some time and get involved.....it's fun!!!!
